

EFT Level 2 Workshop

A Unique Workshop Experience with an Inspirational Presenter
John Asby

A 2-Day Level 2 EFT Workshop (Approved by Gary Craig)

Prerequisite:

The prerequisite for taking a Level 2 workshop is satisfactory completion of a Level 1 workshop. This means that each participant must have actually taken an Approved Level 1 workshop OR, has sufficient EFT knowledge and experience to allow waiving the Level 1 requirement.

Topics include

- Principles from The Palace of Possibilities
- Additional tapping points
- Ways to inject more gentleness into the procedure
- Ways to find Core Issues
- Addressing physical issues – The body and Mind are one!
- Testing Results
- Working by Telephone
- Delivering EFT in groups

Who should Attend?

For serious students of EFT who want to expand their knowledge and ability to use EFT with more complex issues and problems for personal or professional applications. If you are interested in becoming an EFT practitioner then this is a must. At the end of the workshop you will have confidence to apply EFT on most issues and challenges that you and/or your clients face.

Workshop Dates: See Events Calendar Above

Time: 9am to 4.30pm each day

Limited Numbers: maximum of 24 participants

Feedback from participants who attended “Emotional Freedom Techniques Level 2 Workshop”

"David and John are very good listeners and at quick to find the key issue to address. You were both always ready to help and assist each participant. I felt that the level 2 workshop improved all aspect of my use and understanding of EFT. I gained emotional freedom on many issues! I feel EFT will take me far with a new scope for my future. Thank you again! - Suan Mazitelli, Bowen Therapist, Crows Nest

I don't know where to start - I feel Eft has changed my life - the way I think. EFT will become the way I live -"Try it on Everything." I got rid of some big issues around my mum and now I love and trust myself more. David and John, you were very patient and understanding and conducted an excellent workshop. Thank you to both of you again!!! - Loretta Chittick, Co-ordinator, Yappoon
